Welcome Message

On behalf of the Egyptian Scientific Society of Bronchology and the Organizing committee, we are deeply honored to welcome you as a distinguished guest to share and attend the 13th Regional Annual Assembly Meeting of the Egyptian Scientific Society of Bronchology (ESSB), at Le Meridien Airport Hotel, Cairo, Egypt, December 3th to the 5th, 2014.

The Scientific Committee has prepared a comprehensive CME-accredited scientific program that will provide health care professionals with all updates in the field of Bronchology, Pulmonary medicine and related fields. International and national experts are invited to attend and present at the meeting which is an opportunity for attendees to share and exchange experience with the latest updates in the field.

The scientific program is accredited by the American Accreditation Council for Continuous Medical Education. On this year's agenda you will find the most interesting and hot topics in our discipline, delivered to you either by oral presentations, satellite symposia, interactive sessions and sessions of original investigations. Participants will have ample opportunity to learn and discuss any respiratory issues with our team of experts at the meeting.

Wishing you a fruitful meeting and pleasant stay.
